Frequently Asked Questions in Teams and Microsoft 365

1. **Can I call/message someone with a different tenant/email domain?** Yes, you can still call them and send them a message.

2. **What is a tenant/email domain?** The tenant/email domain is the domain name **after** your name/LRN/ID.
   Example: juan.delacruz@**deped.gov.ph**
               12345212347@**r2.deped.gov.ph**
               93843841130@**r8.deped.gov.ph**

3. **Why are there different tenants?** There are different tenants within the Department of Education because each user gets access to many apps and services (Office, Email, Teams, etc.) that cannot all be hosted in one tenant. It is then divided into regional tenants.

4. **Can I use my Gmail account or other personal accounts?** Yes, but it is recommended that you use your DepEd Microsoft account to have access to Teams. If you use your personal account, you will only be a guest at meetings, events, and groups and may not have access to many Microsoft services, including Microsoft 365.

5. **Can I send files to other people in Teams?** Yes, you can send files to people with the same tenant/email domain as yours. To send a file to other people outside of your tenant, upload it on your OneDrive (or any storage) and send the link to the recipient.

6. **How many attendees can a Teams video call accommodate?** 1000 people

7. **How many attendees can a Teams live event accommodate?** 20,000 – 100,000 view-only attendees

8. **How can I make my live event accommodate 100,000 people?** Create your live event in Teams, then fill out this form: **aka.ms/DepedTLE**

9. **Is there a mobile app?** Yes, you may download it on the Play Store or the App Store.

10. **Is there a web version of the app?** Yes, login to **teams.microsoft.com** using your DepEd Microsoft account.

11. **Is there a Breakout Room feature?** Yes.

12. **Is there a recording capability?** Yes.

13. **Can I track attendance?** Yes. (See memo)

14. **Can I use Teams offline?** No.
