**MANUELA S. TOLENTINO, CESO V**

Schools Division Superintendent

DepEd Division of Biñan

Biñan City, Laguna

Dear Ms. Tolentino:

PhilHealth has started the integration of the PhilHealth Learners Material (PLM) through the inclusion of the topic on PhilHealth in the Grade 10 MAPEH Curriculum under the Consumer Health in 2018.

However, in light of the revisions to the PLM to include the provisions of the Universal Health Care (UHC) Act of 2019 and the changes in the DepEd 2016 curriculum repositioning the topic "*Health Information, Products, Services and Providers*" to be shifted to Grade 8, we will be conducting a Training on the PLM.

Since PhilHealth is scheduled to be tackled on the fourth quarter of the School Year per DepEd K to 12 curriculum model, we are scheduling this activity on July 10, 2025 at the Biñan People's Center in Biñan People's Park, Biñan City.

In this line, we are seeking your support to the said training by sending the Education Program Supervisors for MAPEH and nine (9) MAPEH Coordinators under your Division Office as participants for the scheduled integration of PhilHealth topic for School Year 2025-2026.

We look forward to your preferential consideration on this matter. For clarification, please feel free to call our Local Health Insurance Office Calamba at telephone number (049) 544-4551 or email at [calamba.pro4a@philhealth.gov.ph](mailto:calamba.pro4a@philhealth.gov.ph).

Very truly yours,

  
**EDWIN M. ORIÑA, MD**  
Acting Regional Vice President
