DIVISION MEMORANDUM

No. 105, s. 2021

18 Mar 2021

WORK IMMERSION SCHEME OF SENIOR HIGH SCHOOL STUDENTS IN TVL

To : Assistant Schools Division Superintendent
Chief, School Governance and Operations Division
Chief, Curriculum Implementation Division
School Heads, Public Senior High Schools
All Others Concerned

1. In compliance with DepEd Memorandum CI-2020-00085, Guidelines for Work Immersion Implementation during Crisis Situation, this Office, through the Curriculum Implementation Division, reiterates that the implementation of the Work Immersion of Senior High School students this year 2020-2021 will be conducted with strict measures pursuant to the guidelines of the Inter-Agency Task Force for the Management of Emerging Infectious Disease.
2. The implementation of Work Immersion, which is a requirement for the Technical-Vocational-Livelihood (TVL) track, is greatly affected by the COVID-19 pandemic. However, this relevant undertaking must still be given emphasis provided that the Senior High School management shall ensure that all lessons and activities covering its required competencies must be performed only through the **home-based scheme**. In the absence of learning resources to be used by the students in this scheme while ensuring a skill-based learning process, **the school can tie up with their partner industries** for the development of materials to be used as demonstration videos/digital lesson presentation pertinent to the specialized subjects in Technical-Vocational and Livelihood (TVL) track.
3. The SDO of Biñan City adheres to IATF protocol that "the conduct of curricular and co-curricular activities that involve the gathering of a large number of learners, such as science fairs, a showcase of portfolios, trade fairs, school sports, campus journalism, a festival of talents, job fairs, career orientation, and other similar activities are **canceled for the school year**, except for those that can be conducted through online platform."
4. In addition, all students even if they already 18 years of age are still prohibited from going to school that includes getting and returning the self-learning modules.
5. Immediate dissemination and strict compliance of this Order are directed.
