FRANCIS CESAR B. BRINGAS

Regional Director

Department of Education – CALABARZON

Greetings!

The UP Broadway Company (UPBC) is a duly recognized university cultural organization founded in 2015, comprised of musical theater enthusiasts across all colleges from the University of the Philippines in Los Baños. In its endeavor to produce quality and relevant theatrical performances, the organization opens its curtains again to bring you Tawag: A Series of Online Radio Plays. Tawag is a festival of brief, straightforward, radio plays about the voice calls of friends and family who are separated during the pandemic that highlights the struggles of students, and Filipinos in general, with connectivity.

The proceeds from Tawag shall help support the artists of UP Broadway Company, as well as the UPLB Connectivity Assistance for Remote Students (UPLB CARES), a program initiated in the University of the Philippines - Los Baños to provide learning support systems and assistance to UPLB students transitioning from classroom to remote, flexible mode of learning. To help this advocacy come to life, the UPBC would like to humbly request for an endorsement letter from your good office and also for your help in promoting this production within your network. We are aiming to reach thousands of audiences so that more students could benefit from this endeavor. We have also attached a production kit to guide you on the details about our production.

On behalf of UP Broadway Company, we would like to thank you in advance for your support. Should you need more information, please feel free to contact Jerrey Ablanque, Assistant Production Manager for Audience Development, at +63919 008 6036 or e-mail us at upbroadwaycompany@gmail.com.

We are looking forward to your favorable response. Thank you!
