Subject: **DEPED TV PROGRAM GRID WEBSITE**

The Office of the Undersecretary for Administration (OUA) through the Information and Communications Technology Service-Educational Technology Unit (ICTS-EdTech) created the DepEd TV Program Grid website. This online platform will support and supplement the needs of our teaching personnel especially in the preparation of weekly plan incorporating DepEd TV episodes as part of their synchronous and asynchronous classes.

The DepEd TV program is the main source of educational video lectures spearheaded by the Department as part of the blended learning approach. Using these educational video materials will guide learners to understand lessons even at the comfort of their home.

To quickly access the DepEd TV Program Grid website, just do the following:

1. Connect to the internet and open a browser. Type the URL <https://sites.google.com/deped.gov.ph/depedtv-program-grid>.
2. Search for the Grade Level and click it.
3. The subjects for Kinder to Grade 10 are arranged alphabetically. The weekly lessons are aligned and patterned to the MELC. For Senior High School, the subjects are arranged according to the Core Subjects, Applied Subjects, and Specialized Subjects.
4. Check for the exact airing schedule in television which includes the date and time.
5. The title of the episode is also clickable. It will directly loop in the DepEd TV Official YouTube Channel.
