Gen LIT!

Nation Building Workshops

So LIT! 

“LIT!”

is a colloquial term used by young people to describe anything they find excellent, exemplary and extraordinary. Lit is also short for literacies. Taken together, our training sessions on youth leadership and digital citizenship are designed to be both enlightening and enjoyable for our target audience.

 PINAS FORWARD

WHO WE ARE

Pinas Forward is a nation-building movement that creates movers out of dreamers, concrete actions out of aspirations, and stronger communities out of individuals. Our framework is anchored on three core concepts: transformational leadership, values formation, and community engagement.

Pinas Forward organizes talks, forums, and grassroots leadership camps centered around the concepts on the Filipino brand of leadership and Bayanihan. Its goal is to inspire young leaders to embrace nationalism and motivate the youth to pursue development through volunteerism and community engagement. By the end of the forums and camps, participants shall be part of a national network of youth leaders ready to serve their own communities through the advocacies of their own choosing.

Through these activities, Pinas Forward will serve as a platform to reinforce the Filipino's innate capacity to dream, lead and pioneer social change by harnessing Filipino ingenuity and creativity.
