REQUEST FOR DEPED REGIONAL AND DIVISION MEMORANDUM

Warm Lasallian Greetings! I hope this letter finds you very well.

First of all, I would like to thank you for expressing your interest and acknowledging receipt of our previous letter. Nevertheless, if you are unable to receive or recall such letter, I will reiterate the details in this letter for your convenience and reference.

On behalf of our class under the Humanities and Social Sciences Strand of the Senior High School Department of the De La Salle University, I would like to most respectfully **request for the issuance of a memorandum or any form of circular that will furnish and endorse this letter to the schools under your jurisdiction.**

We are Grade 12 Humanities and Social Sciences from De La Salle University Senior High School. In partial fulfillment of our requirements in our Christian Living subject, we will be holding a webinar entitled "**Adhikang Diwa: Tungkuling Mamamayan Para sa Bayan**", on **May 21, 2021**. This is a project in collaboration with Center for Youth Advocacy and Networking (CYAN) and De La Salle University's Center for Social Concern and Action (COSCA).

At this *Adhikang Diwa*, we will be conducting a live online webinar in a panel discussion format with the youth in order to bring awareness towards voter education. Considering our country's current situation and with the coming elections in 2022, the youth's importance of voicing their opinions through voting becomes more evident as this event aims to open the minds of the youth further and inform them regarding their responsibilities as a part of the democratic state.
