Dear Ma'am,

Education is a basic right of everyone. School lets us engage in learning, hone our abilities, and develop our social skills. It is where we form children that will make a difference in our societies.

We, the Biñan Dental Club under PDA Laguna Chapter, Inc. would like your teachers to be part of our Laguna Wide Teachers' Seminar Year 2 on October 9, 2021 (Saturday) at 10AM via Zoom Meeting App. The seminar will cover lectures on 1000 Days ni Baby, Nutrition, Good Oral Health and Hygiene, and Proper Hand Washing. This is part of our program: "Batang Wise, Ngiting So Nice, Tahanang Organized". The program has respective 3 domains that aim to:

- 1. Batang Wise**
  - Educate volunteer teachers, children, and youth.
  - Change behavior of the children/youth in terms of oral hygiene and monitor these changes.
- 2. Ngiting So Nice**
  - Provide needed dental treatments or services to the school (provided that the current situation and setup will ensure everyone's safety before proceeding with the treatments.)
- 3. Tahanang PDA Certified**
  - Improve infrastructure needed to sustain dental health practices (if applicable).

Teachers will also answer a pre-test and post-test for the seminar via Google Form. They will also receive a copy of the lectures in a modular form that will be given before the day of the seminar. The seminar will help the teachers to guide, discuss, and give the activity books to the children.

We hope for your positive response and to be part of our program in giving education to our teachers, students, parents, and community. If you have any questions, please contact us at 09178427223, Dr. Mar David Antioquia. Thank you very much!
